INTRODUCTION

Preen Security Group is a 100% black-owned company committed to providing a range of security services to clients nationwide throughout all nine provinces.

We are exceptionally passionate about what we do. We continually strive to ensure that the service we provide is a cut above the rest. We have called upon our capital intellect to ensure that we continue to operate in a unique and professional manner, that the operations structure is flexible, and most importantly, that we will produce positive results consistently.

The company boasts a dynamic management team, operational structure and existing infrastructure. The operational structure of the company ensures that fit for purpose PSIRA registered security officers are placed at client sites, services rendered to clients are of a high standard, the turnaround time for reported incidents and/or any form of dissatisfaction in services is resolved in 24 Hours.

The existing infrastructure comprises of road-worthy vehicles and a 24 Hour control room that can be accessed by all our security officers as well as all authorised client personnel through the use of our technologically advanced radio.

Uniforms and equipment are also provided per client specifications, requirements and agreements.

All levels of managers are well trained and equipped through their qualifications and experience in their different fields of expertise. A hands-on management approach is a fundamental practice entrenched in our values.

OUR MISSION

PREEN SECURITY will remove worries for clients who require our services buildings, facilities, and events by providing excellent customer service for clients and in-depth training for their employees. Improve the quality of life of all South Africans by creating a safe and secure environment. As an organization of professionals, the company keeps pace with the latest and advanced technology This is important to satisfy the changing needs of clients. Our philosophy is to specialize in what we do, in order to grow our position in the markets. To achieve this, the company employs a management team that is both flexible and pro-active.

OUR VISION

We are committed to the ongoing improvement of the service we provide to our client. by investing and developing our most important assets, our staff, we aim to achieve all our goals and exceed our client's expectations. through our commitment to a higher standard, it is our vision to earn the trust of our clients by delivering the best quality service within South Africa.

OUR VALUES

-We place our customers' protection first

WHAT MAKES PREEN SECURITY UNIQUE?

We offer a 24/7 security vehicles available on site. We track our Security Officers live, on air, daily -24/7. We make use of a cloak-in system to make sure our Security Officers are on time -24/7. We make use of patrol bicycles – 24/7. We deliver any reports on any incident within 12 hours. We audit ourselves monthly.

Preen Security management is available on-site, on a daily basis.

OUR SERVICES

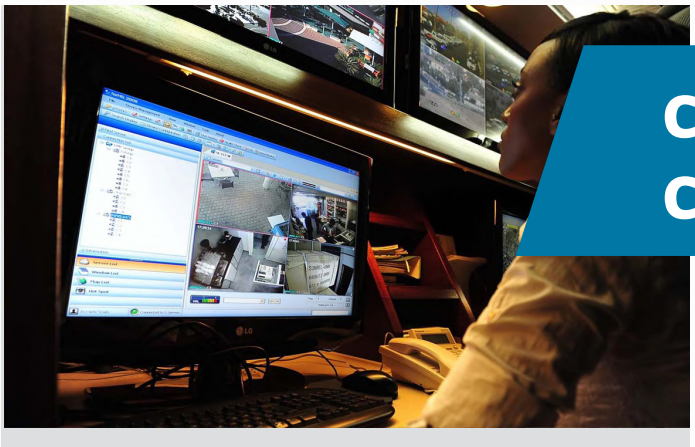
We provide a visible security presence, demonstrating a broad range of skills from general guarding to highly specialised security roles, delivering financial and operational gains, through a spirit of partnership and innovation.

GUARDING

Preen Security Group provides a professional and comprehensive security solution to a broad base of clients and industries. In rendering its services, the company relies on a combination of experienced personnel.

ARMED RESPONSE

Preen Security Group specialises in armed response in closed communities and business parks, with dedicated patrol and response vehicles. The company's philosophy is that a response time in excess of three minutes greatly increases the risk of loss of or damage to property and life.



CONTROL ROOM & CALL CENTER

The company's control room complies with SAIDSA (South African Intruder Detection Services Association) standards and ensures that all its client sites are monitored from a central point, 24 hours a day.

OUR SERVICES

CRIME PREVENTION

Specialists in various fields are utilized to conduct risk audits and investigations where there has been a breach of security procedures.

EVENTS SECURITY

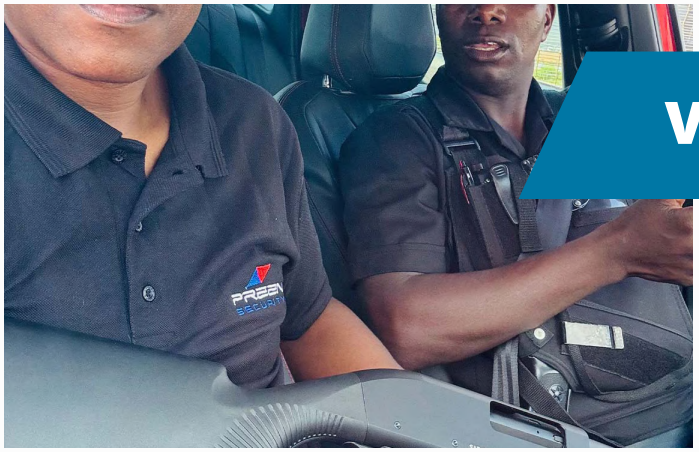
Preen Security Group is committed to providing professional, reliable, efficient and cost-effective security personnel who offer total protection for clients' events and assets.

RIOT CONTROL

Preen Security Group can supply highly trained and well-equipped security and riot squad personnel fully conversant in all aspects of civil disobedience, negotiations, crowd control and protection of life and property.

OUR SERVICES

We provide a visible security presence, demonstrating a broad range of skills from general guarding to highly specialised security roles, delivering financial and operational gains, through a spirit of partnership and innovation.



VIP PROTECTION

Preen Security Group can provide specialised officers trained in prevailing firearms legislation and usage. The company has security personnel specifically trained to handle VIP protection. They are articulate, confident, reliable, alert, disciplined and well-groomed.

UNDERCOVER AGENTS

The company can deploy officers in retail and wholesale industries – uniformed or undercover – to curb product theft, devise new product control measures, or to work to specifically-designed systems.

MONITORING

Preen Security Group has formed a strategic partnership with Active Track (Pty) Ltd. Active Track is the exclusive supplier of Active Track devices, a state-of-the-art workforce management tool.

OUR SERVICES

K-9 UNIT

The company has a highly trained, and efficient canine unit which can be deployed at short notice.

TRAINING

The company holds a SASSETA accreditation and has an in-house registered licensee of NOSA. As a result, it can present various training courses to its staff to upskill them, as well as to new employees from the comfort of its fully-equipped training centre.

TECHNICAL & FENCING

The company's fencing division has extensive experience in the industry and implements high quality fencing solutions based on clients' specific needs. It relies on its CIDB SQ7 rating to implement its services.

+ 24/7 ARMED RESPONSE, RECOVERIES, CARGO ESCORTS

WHY CHOOSE US

At Preen Security we provide dedicated and professional security staff, all of whom are rigorously screened and vetted and hold a valid SAIDSA Licence. Prior to taking up any contract our officers undergo site specific training to ensure that they integrate well into your team and business and are confident working in any environment.

Our management team is comprised of highly skilled security professionals with over 30 years of experience in the industry. Coming from an array of diverse backgrounds ranging from private close protection to ex-military personnel , our team have been responsible for delivering security in hostile environments nationally , as well as having helped secure safe passage of assets worth millions of rands. Our years of experience mean we have the skills and knowledge necessary to develop a comprehensive security plan to suit any requirement.

ADVANCEDTECHNOLOGY

In the security industry, technology is moving at lightspeed. PREEN SECURITY GROUP provide new devices, automation, custom software, and robot and drone technology is constantly being developed, improved upon, and employed to help security guards perform routine tasks. However, to reap the benefits of rapid development and deliver exceptional results, Preen Security Group embrace all of these technological changes and be able to spot trends in order to protect property/people and to ensure the safety and wellbeing of its security workforce.

PROTECTION ANYTIME

Preen Security provide 24/7 Security Services Close Protection Officers (CPOs) are highly trained specialists who specialized in the personal protection of company executives, dignitaries, celebrities or private persons requiring special protection for themselves and their families.

EMERGENCY HELP

In terms of emergency, Things happen unexpectedly. Retail store gate breaks, alarm goes off, disgruntled employee, or fire watch, we are the security services you need when you need them.
Providing security coverage 24 hours a day, 7 days a week.
Fast Guard Service emergency security guards are trained and equipped to respond quickly.
We will have a guard on-site in 4 hours or less.

LICENCED SECURITY OFFICERS

At Preen Security Group, we are always looking to hire PSIRA registered security officers and experienced security personnel to join our team. When we are hiring Security Guards, we look for...

•Individuals with zero criminal records. This is mandatory.
•Good communication skills

•It is an advantage if the applicant drives.
•Previous employment history and references

PREEN SECURITY OPERATIONS

We provide a visible security presence, demonstrating a broad range of skills from general guarding to highly specialised security roles, delivering financial and operational gains, through a spirit of partnership and innovation.

WE MAINTAIN THE HIGHEST PERFORMANCE STANDARDS

Preen Security Group is a fully licensed security company and employs only licensed security guards. We follow a code of best work practices that are backed up with rigorous internal quality control procedures. Preen Security Group employs the latest technology to support our guards including fleet tracking and wireless technology that provides you with accurate and verifiable mobile patrolling reporting.

WE KEEP IN CLOSE CONTACT WITH OUR CLIENTS

Preen Security Group is dedicated to continuously improving our service and value feedback from our clients at any time. Please see our Contact Us section where you can provide us with your feedback.

OUR MANAGEMENT PROVIDES PERSONAL SERVICE

Preen Security Group management is committed to retaining your business by going the extra mile. We pride ourselves on the close relationships we maintain with our clients and on the systems, we have created to ensure the successful deployment of our people and resources.
Each person in the management team contributes a wealth of knowledge and a positive proactive attitude. We recruit and train our guards personally in-house as this allows us to pass on our dedicated expertise. Our training programs are comprehensive and effective and once our guards are on the job we keep in close contact with them to ensure they are well supported.

HOW WE HANDLE COMPLAINTS

Despite the best attempts to foresee all eventualities, sometimes things go wrong.
Our promise to you is that we will respond quickly and in consultation with you at all times. We will make it our top priority to ensure the least disruption to your business.

WE ENSURE A SEAMLESS TRANSITION

When you sign up with Preen Security Group, we manage the transition so it is problem-free. From the moment our guards take over they will know what to do and will be supported by Preen Security management to implement the Standard Operating Procedures that have been carefully devised for your site.

OUR GUARDS NOTICE THE DETAILS AND ACT ON THEM

Once we have devised a Standard Operating Procedure specifically tailored to meet your needs, we recruit and train a team of guards to personally implement those procedures. Our guards are trained to notice the details and act on them. They know that when on duty they represent you and your business. In consultation with you and Preen Security Group management, our guards give regular feedback about your customised Standard Operating Procedures, which then evolve with your business needs to remain 100% effective at all times.

Our guards are well supported by Preen Security management and equipped with everything they need to do the job, from their full corporate or combat uniform to the latest technological tools. Our guards go through a rigorous recruitment process and most are hired from referrals. Our guards benefit from above average pay, specialised training and support, variety, a positive working environment and opportunities for promotion within the company.

PREEN SECURITY OPERATIONS

We provide a visible security presence, demonstrating a broad range of skills from general guarding to highly specialised security roles, delivering financial and operational gains, through a spirit of partnership and innovation.

WE CUSTOMISE OUR SERVICE TO MEET YOUR NEEDS

At Preen Security Group, Guards understand every business is unique. So, the first thing we do is work with you to develop a Standard Operating Procedure that is tailor-made to your particular security needs. We don't just look at protecting your physical assets and personal welfare, we also include details for protecting the integrity and credibility of your business operations and branding image. From the reporting of a faulty light bulb through to managing public relations issues that arise after hours, we develop the systems and procedures that will help us keep your business secure and efficient 24 hours a day, seven days a week.

WE ARE SOUTHERN AFRICA'S LARGEST INTEGRATEDSECURITYSOLUTIONSPROVIDER

Preen Security Group is Southern Africa's largest integrated security solutions provider and the industry leader in protection innovation. Excellence in service delivery and implementation are fundamental to our impressive record of accomplishments.

By keeping abreast of the latest trends and technological developments globally, and continuously evolving and innovating, the Group remains a front-runner in the security solutions market. Through a bouquet of services and related products, the Group can tailor make a solution for any requirement.

PREEN SECURITY GROUP EMPOWERS EDUCATORS

It is said that Education is the most powerful weapon one can use to change the World, with these words said, it is imperative that each and every one of us contributes toward achieving this goal. Remember that education is the key to success – educate a child and build a nation!" So say the M.D of Preen Security Group. Mr Md Madonsela has recently contributed school uniforms to Sitjetjiwe secondary school in Ekangala and is continually taking part in the "Adopt a Student" initiative. This is indeed the best gift ever since no one can take education away from you.
It is so great to have someone like him who is continually and effectively contributing to the well-being of the underprivileged and ensuring that they get a good education.

WE MAKE IT OUR BUSINESS TO:

- Minimise waste
- Use rechargeable batteries in our torches
- Use diesel to run our vehicle fleet
- Communicate electronically rather than by paper
